

Hopedale Public Schools 1:1 Device Agreement

In this agreement, both the student and the parent/guardian are responsible for the care of the device and compliance with the specifics outlined below. In this agreement, the terms “you” and “your” shall mean the student and his/her parents/guardians.

Device Terms

The 1:1 device belongs to the Hopedale Public Schools. The ability to possess and use the 1:1 device is conditioned upon enrollment at the Hopedale Public Schools and compliance with the 1:1 program’s guidelines and terms, the student handbook, and the Acceptable Use of Technology. This may be revoked at any time by the administration.

You will be receiving a device (laptop, chromebook, or other similar device), a charging block/cord, and a protective case (starting in the summer of 2020). All of these items must be returned and in good working condition with an acceptable normal amount of wear and tear at your leave of the school district, whether by withdrawal, graduation or due to misconduct/misuse as decided by the school’s administration.

Student Use Terms

- I will use my 1:1 device for educational purposes, following the guidelines and expectations as outlined in the Acceptable Use of Technology policy (IJNDB) and the student handbook.
- I will not remove the case on my 1:1 device or personalize the case and/or device in any way including stickers, markers, and/or any other markings.
- I understand and acknowledge it is my responsibility to bring my 1:1 device with me to school each day, fully charged.
- I will not share my 1:1 device with any other user.
- I will not remove or tamper with the device’s asset tag/label.
- I understand it is my responsibility to take care of the device and am responsible for any damage it receives.

Lost, Stolen, or Damaged Equipment

You must report any lost, stolen, or damaged equipment to the school as soon as possible. Failure to do so may result in a lapse in coverage of the insurance policy or you being fully responsible for the full replacement cost of the device.

Any device reported as stolen must also have a police report filed.

Damaged equipment will be determined to be an accident or negligence damage by the administration. If the device is deemed to be intentionally damaged by the student, the student may be subject to discipline and assessed the cost of repair or replacement.

Student Name *

First

1:1 Device Agreement *

Choose to enroll in the 1:1 program or OPT OUT and use your own device.

I have read the guidelines, FAQs and responsibilities associated with the 1:1 device program and agree to the terms. I agree to enroll my student in the program.

I opt my student out of the 1:1 program. I understand my obligation to provide my child access to the technology needed for digital learning assignments outside the school day, that they are expected to bring a device to school with them every day. I will provide them with a supported device.
